NO PFLAG MEETING TO BE HELD IN NOVEMBER ^{Save Sunday}
December 14th for the Holiday Party (more information will be sent in December).

There will be no November PFLAG meeting, but PFLAG members have been busy during the month of November.

We participated in the Idaho Falls protest rally held Saturday Nov. 15th against recent anti-gay marriage decisions.

Approximately 75 people attended the protest, which was held in front of the County Court House in Idaho Falls. There were four very good speakers and many protest signs were held so the media and people passing by could see. All three local TV stations were there and covered the story on their evening news programs. The protest was the main story on the front page of the Sunday edition of the local Post Register newspaper.

Our PFLAG Chapter decorated a Christmas Tree for the Idaho Falls Festival of Trees. Look for our tree if you can make it to the festival. The theme is "Don't Fence Me In," and it is in the room where the food court is located. The Festival is an annual event which raises money for the local Development Workshop and is open from 10 a.m. to 10 p.m. Tuesday, November 18 through Friday, November 21, at the Red Lion Hotel.

We had a good turnout for the potluck dinner and Mark Houser's Safe Schools for All presentation. Thanks to everyone who brought food! **A special thanks to Mark for traveling all the way from Jackson, Wyoming to present this great workshop!**
